Ahmednagar (M.S.)
India.

October 2, 1966.

My dear Bob,

Your very loving letter of 26-9-66 from Santa Barbara was read to Baba yesterday and He was happy to hear from you that you are now with dear Mik and Uschi for some time. Baba sends His Love and Blessing to you, Mik and Uschi. He wants you to know that He is very happy with the work you have put in so far in the Cause of the Avatar and He wants you to continue to do so in His Love.

Baba has no objection to your, Mik's and Uschi's (three of you) plan to start on the way now, walking and hitch-hiking, helping the drug-afflicted young people en route. Baba does not want you, Mik and Uschi to step into India before the 21st of November 1967 under any circumstances. He leaves it to you, dear Robert, to decide on any plan that will help you to bring the "lost souls" to beloved Baba; bring them not physically but in the orbit of His Love, so that they hear His Message.

In reply to your long letter of August 10, '66 in which you had also enclosed a copy of dear Paul Smith's letter, Baba made me write to you an explanatory reply, and with it I had also enclosed copy of dear Adi's reply to our dear Stephen Durkee's letter on the "next move". I prayerfully hope you received that letter dated 1-9-66 (please do let me know whether the letter reached you safe. I have no copy of it here.) posted c/o your parents' address; maybe I may have posted it to the address you gave on the cover of your letter as:-10-R Boston Street, Somerville, Mass. Hope the persons concerned have redirected that letter to you and you received it by now. Please do inquire and call for the letter to your present proper address. I am posting this letter to the address you have given c/o Hamilton's.

Hope you are taking good care of your health and that you are keeping fit by His Grace.

Your family at Meherazad send you fond love and wish you Jai Baba!

With much love,

Yours lovingly,

Eruch
