

from a letter from Eruch, 30-10-67:

"He (Baba) tells us with love about you and Allan and Bob and appears very pleased with the work done by you in His Name and in His Love!

....

"Baba is happy that His dear Bob has again joined you and Allan and has got a job too.

"Baba directs me to convey His LOVE to you, Allan and Bob and to let you know that He knows well how His dear lovers in U.S.A. have been helping you and Allan and Bob to carry on the work entrusted to you by Him. He is pleased and they are all blessed!"

Much love,

Eruch
