

Don't go Don't go Don't go

gained

Leaving me o' meher

I want ~~your company~~ ever  
you with me for

unbearable is separation, unbearable pain  
unbearable is everything I feel in your lane.  
This living is really dying, burning in your fire.

I want you with me forever.

Making helpless and hopeless me you look quite charged  
I am dying and you kick me what my love has gained,  
But, I can not leave you darling, ~~you~~ I don't want any favour

I want you with me forever.

I am loyal, I am honest though you kick me Darling  
I love you and Meher Meher my heart is now calling  
Be merciless and you kill me This is my prayer.

I want you with me forever.
