My dear Bob,

Your letter of 15th March was received here yesterday. By now you must have received my letter of 10th March posted by U.S. Consulate, LAHORE, in reply to your two loving letters of February 24th and March 2nd; with my letter I had enclosed a copy of Rick's letter of 4-3-67. Hope this letter has reached you.

Baba is happy to hear from your letter of 15 March that everything goes very well at your end at the "Way-Station", and He also noted that you will go to Europe this Summer. Baba says that it is all right for you to visit Assisi of St. Francis and Avila of St. Theresa.

Enclosed are two Circulars for information of all concerned. In case you and dear Mik-Ushi have not received them the enclosed will help you to know Baba's wish.

Beloved Baba and we-the wandeli- will leave Ahmednagar for Poona on 2nd April to stay in Poona at "Gurupressed", 24-Bund Road, POONA-1 till end of June '67; which please note. We will address you by U.S. Consulate Lahore (W-Pakistan) till we hear any change of your and Mik-Ushi's address. Baba sends His dear TRIO His Love and Blessing, and He wants you three to keep happy in His Love.

With much love to you and Mik-Ushi
Yours lovingly, Eruch
